

LA COSTA CANYON SWIM TEAM 2011

Varsity Letter Policy

A swimmer in good standing, 80% attendance and required 2.0 GPA will receive a varsity letter after earning points in either an individual or relay event during a dual meet competition. Varsity team selection is based on racing times during the season. The faster swimmer receives priority. The final selection of events and relays will be what is best for overall team standings and is the responsibility of the Coach.

Meet Participation and Transportation Policy

ALL SWIMMERS are expected to arrive at each meet and DEPART from the meet with district transportation. Exceptions to this policy must have either a 24-hour notice approved by the coach or a parent signature on the check-out sheet with the names of swimmers leaving. All swimmers are expected to be at ALL meets until the conclusion. Injured athletes or other non-participants are expected to be at the meets to encourage their teammates and help with timing or other meet related duties. Any athlete who misses TWO or more meets may be dropped from the team.

Attendance Policy

Each athlete needs to make a decision to be an active participant in the swim team. All swimmers will need to maintain an attendance of at least 80%. Participants who are attempting to do two sports or activities, after the Coach's approval, during the same season may be allowed an attendance record of 65%. Optional practices (Saturdays and holidays) may be included in this total as well as any make-practices. Swimmers with poor attendance in practice may be limited in their competition choices and the opportunity to earn a varsity letter.

Club swimmers on a national training regimen must attend all meets. Club swimmers must adhere to the LCC swimmer contract and put into writing their goals and contributions to the high school team.

Communication

Swimmers are responsible for staying in touch with his or her coach. The best way to accomplish the communication is to show up at the pool and discuss your situation with the coach. As a secondary option call or email your coach. Texts will not be considered an appropriate line of communication.

Mission Statement and Sportsmanship Agreement

LCC Athletics Mission Statement

'The athletic facilities are our classrooms, and the game is our vehicle to teach lifelong lessons, to create memorable experiences and to have fun.

It is the mission of our program to establish character and sportsmanship in our student-athletes. Attitude, commitment, discipline and sacrifice will be used to build on our programs rich history and tradition to succeed.

Our plan is to expose athletes to a family atmosphere in the hopes that they will build on this tradition and understand the responsibility to hand it down to their younger counterparts.

Lastly, our mission is to continuously pursue excellence and over come adversity: as we strive to make daily improvements throughout the season. We will always prepare and play to win on the field, in the classroom and in life.'
